Print double-sided (flip on long edge), then cut along the dashed lines with this side facing up. Don't flip the sheets over if you want to avoid seeing the cards. Printing single-sided? Print only the even-numbered pages.

that's so gucci Slip It In Deck	**empty it out** Slip It In Deck
AI can do that Slip It In Deck	**i'd rather film grass** Slip It In Deck
that's so adorbs Slip It In Deck	**steaming hot garbage** Slip It In Deck
it's not that hard Slip It In Deck	**it fits in all holes** Slip It In Deck
